

ANNUAL ELEMENT PROGRESS REPORT

Housing Element Implementation

(CCR Title 25 §6202)

Jurisdiction PETALUMA

Reporting Period 01/01/2015 - 12/31/2015

Pursuant to GC 65400 local governments must provide by April 1 of each year the annual report for the previous calendar year to the legislative body, the Office of Planning and Research (OPR), and the Department of Housing and Community Development (HCD). By checking the “Final” button and clicking the “Submit” button, you have submitted the housing portion of your annual report to HCD only. Once finalized, the report will no longer be available for editing.

The report must be printed and submitted along with your general plan report directly to OPR at the address listed below:

Governor’s Office of Planning and Research
P.O. Box 3044
Sacramento, CA 95812-3044

Table C

Program Implementation Status

Program Description (By Housing Element Program Names)	Housing Programs Progress Report - Government Code Section 65583. Describe progress of all programs including local efforts to remove governmental constraints to the maintenance, improvement, and development of housing as identified in the housing element.		
Name of Program	Objective	Timeframe in H.E.	Status of Program Implementation
Program 1.1	Encourage the development of housing on underutilized land that is appropriately zoned.	1/31/2023	In 2015, there have been two multi-family projects approved and under construction.
Program 2.1	Provide developers with an inventory of sites with a wide range of densities that allows a variety of product types.	1/31/2023	In 2015, City staff has met with prospective developers and property owners to respond to their questions regarding suitable sites for development. The Site Inventory is on the Housing website.
Program 4.3	Continue to require residential projects of five or more units to contribute to the provision of below-market rate housing.	1/31/2023	In 2015, there were 3 projects that are planning on on-site affordable units in their market-rate development. This could increase our affordable units by 69 units.
Program 4.6	Continue the existing partnership with the Housing Land Trust of Sonoma County to administer the Homebuyers Assistance Program, aimed at low-and moderate income households.	1/31/2023	In 2015, City staff has met with the Housing Land Trust of Sonoma County several times to promote affordable homeowner properties. A housing project in North Petaluma will be including affordable homeownership houses in their development.
Program 5.1	Continue to administer the Mobile Home Rent Stabilization Ordinance.	1/31/2023	In 2015, the mobile home spaces under the ordinance increased by 26. The total of spaces that fall under Ordinance 1949 is 343 spaces.

Program 5.3	Retain federal, state, and locally subsidized affordable units that may be lost through contract termination.	1/31/2023	In 2015, Park Lane Apartments, a HUD subsidized affordable community, renewed their HAP contract for another 20 years and is going through a major rehabilitation.
Program 5.5	Continue to impose long-term resale controls or rent restrictions on affordable units provided through the inclusionary housing program or city subsidies to ensure that they remain affordable to the targeted income groups.	1/31/2023	in 2015, there were 2 affordable properties (park Lane and Madrone Apartments) going through a resyndication and rehabilitation which also extends their rent restrictions for another 55 years.
Program 6.2	Continue to support the Mary Isaak Center	1/31/2023	In 2015, the City allocated funds to support the Mary Isaak Center, which is owned by the Committee on the Shelterless, which runs our homeless shelter and programs.
Program 6.3	Continue to support the COTS Family shelter	1/31/2023	In 2015, COTS re-opened the Family Emergency shelter at 1500 Petaluma Boulevard, South. This shelter was closed due to funding shortages. Opening the shelter has provided homeless families to stay in their community and keep their children in school.
Program 6.5	Continue to support the ongoing maintenance of a City-owned property leased to the North Bay Veterans Resource Center serving homeless veterans.	1/31/2023	In 2015, Rebuilding Together, funded through the City, painted the exterior of the property and repaired a plumbing leak leased to the North Bay Veterans Center.
Program 6.8	Continue to support the "Rebuilding Together - Petaluma" (RTP) program.	1/31/2023	In 2015, funds were allocated to Rebuilding Together Petaluma. Approximately 62 projects were completed that rehabilitated 32 properties of low income homeowners throughout Petaluma.
Program 7.1	Continue to refer fair housing complaints to the Mediation Assistance Program administered by the Petaluma People Service Center.	1/31/2023	In 2015, funds were allocated to Petaluma People Service Center for fair housing. PPSC is also known as Sonoma County Fair Housing, which is our county-wide fair housing service provider.
Program 7.2	Initiate actions to address any fair housing issues or constraints on housing as identified in the 2012 Analysis of Impediments	1/31/2023	One of the constraints pointed out in the Analysis of Impediments was a shortage of transit opportunities. In 2015, Petaluma's transit worked with regional partners to implement the Clipper regional transit fare card making it easier to pay for transportation; they deployed a free public Wi-Fi system on board; and achieved functioning Google Transit trip planning status to make it easier for riders to plan their trip and monitor the status of a bus.
Program 8.1	Promote the maintenance of existing residential units.	1/31/2023	This program is accomplished by Rebuilding Together - Petaluma. See Program 6.9 for the 2015 accomplishments.
