Help PPSC put the pedal to the metal to create a new program that will give seniors access that they currently do not have.

iRide Petaluma

a Petaluma Volunteer Rides Program for Seniors on the Move

Let's face it, many of us can "*hit the road*" anytime we need or want, while all around us our neighbors who no longer can drive and lack this option, are taken for granted. Transportation is one of the top problems facing seniors in Petaluma. Think about it, you are going to the grocery store or your place of worship; wouldn't you love to take a senior with you?

Petaluma People Services Center, in collaboration with the Petaluma Senior Center, is launching **iRide Petaluma**; a volunteer driver program for people who are unable to use the bus or who need transportation within Petaluma. iRide Petaluma will utilize a network of volunteers who will use their own vehicles to drive seniors to their appointments, providing a valuable personalized one-on-one transportation service.

Call us today if you are interested in volunteering. Ask for iRide.
