

CLARIFICATION NO. 1
PETALUMA POLICE STATION EXTERIOR PAINTING PROJECT
CITY PROJECT NO. 1100.15100.54270

October 12, 2018

This Clarification No. 1 includes information about the Petaluma Police Station Exterior Painting Project, and shall become part of the Contract Documents for this Project.

NOTE: Underline = Additions
~~Strikethrough~~ = Deletions

Roof HVAC Screen

The Police Station has an angled red-colored screen on two sides of the rooftop HVAC units. This screen is visible from the street. The screen material is standing seam metal roof and is assumed to have been powder-coat painted by the manufacturer prior to installation on site. The City assumes that the original paint is still in good condition and does not need to be painted as part of this contract.

The contractor shall, for the purposes of bidding, include only power washing of the Roof HVAC Screen to remove built up dirt and moss. The Roof HVAC Screen will not be painted as part of this contract.

All other items of the documents shall remain unchanged. **A signed copy of this Clarification and the attached acknowledgement form shall be attached to the bid proposal. Failure to do so may cause rejection of your bid as being non-responsive.**

Diane Ramirez, Project Manager
Public Works & Utilities Department
